Sentences to Edit

Show how the character is feeling by changing the "said" word. Say your sentences out loud (no need to write them down).

1. "I can't believe it!" said Greta in a disappointed voice.
2. "Look out for the shark!" said Mason, sounding scared.
3. "It hurts," said Luca as he clutched his broken leg.
4. "It's so tiny," she said quietly, "I think it must have been born today."
5. "That planet is pretty enormous," he said in amazement.
6. "The jewels are mine, all mine!" said the Queen with a wicked look on her face.
7. Slowly he turned around, and when he saw the dragon he said, "I'm not scared."
8. As the tiger leaped towards them, he said, "Run!"
9. She peeped through bushes at ghosts swirling in the mist and said, "Do you think we should turn back?"
10. The dark knight stood over the wolf with his sword drawn and said, "What will you do now?"
11. "I will just slide this gold into my pocket," said the gnome sneakily, "and then I will put it somewhere safe."
12. The waves broke over the sinking stern of the ship as the captain said, "My boat and I will go down together."
